

A Letter from Heaven

**When tomorrow starts without me
And I'm not here to see;
If the sun should rise and find your eyes
All filled with tears for me.**

**I wish you wouldn't cry
The Way you did today;
While thinking of the many things
We did not get to say.**

**I know how much you love me
As much as I love you;
Each time that you think of me,
I know you will miss me too.**

**When Tomorrow starts without me,
Do not think we're apart
For every time you think of me,
I'm right here in your heart.**
