*Memories*

*"For what is it to die but to stand naked  
in the wind and to melt into the sun?  
And what is it to cease breathing but to  
free the breath from its restless tides, that  
it may rise and expand and seek God  
unencumbered?"*

*Only when you drink from the river of  
silence shall you indeed sing.  
And when you have reached the  
mountaintop, then you shall begin to climb.  
And when the earth shall claim your  
limbs, then shall you truly dance."*

*— Khalil Gibran*
