There is no scientific or other evidence that any casket with a sealing device will preserve human remains.

Disclaimer of Warranties

BEACON FUNERAL PARTNERS (TEXAS) LLC. makes no representation or warranties regarding caskets. The only warranties, expressed or implied, granted in connection with caskets and/or containers sold are the express written warranties, if any, extended by the manufacturers thereof. BEACON FUNERAL PARTNERS (TEXAS) LLC. hereby expressly disclaims all warranties expressed or implied, relating to the caskets and/or containers, including, but not limited to, the implied warranties merchantability and fitness for a particular purpose.

Disclaimer of Outer Burial Containers

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the graves will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
