Payment Policy

To lose someone you love is a devastating experience. It is frequently traumatic and can seriously impact judgment. It is important to celebrate the life of someone important to us when that person has died and to make the experience as meaningful as possible.

It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they are able, nor less than they would like. What is important is that arrangements be in keeping with a family's wishes and budget.

Because funeral bills are often shared by different individuals and frequently divided between family members, we require that all the expenses be paid prior to the funeral service or day of cremation. In this way, the possibility of a misunderstanding between the funeral home and the family, or between family members is avoided.

The balance of any contract may be paid through one of the following options:

1. Payment made in full – by cash, check or bank loan – by day of funeral service or day of cremation will receive a 5% discount on merchandise selected.

2. Payment made by credit card (Visa, Master Card, Discover, or American Express) will not receive a 5% Merchandise Discount, due to the credit card fees paid by Nelson Funeral Service, Inc.

3. Insurance Assignment to the funeral home by the beneficiary of the insurance policy in which Nelson Funeral Service, Inc. will file on behalf of both parties. No discount will apply as well.

We at Nelson Funeral Service fully understand that financing a funeral service can be difficult. If other arrangements need to be made, please let us know so we can better assist you. Our family is here to serve your family in Honoring Traditions and Creating New Ones.
